OUR MISSION STATEMENT

The Iowa County Republican Party is committed to promoting the traditional conservative values that has made this country, this state, and especially Iowa County a great place to live, work, and play. We will strive to the best of our ability to recruit and elect candidates at all levels of government that believe in these values.

As a party, we will put the Constitution of the United States of America first and foremost in our decision making process. We recognize the effort put forth and the blood spilled by our Founding Fathers to write this great document. We will work tirelessly to see that it is not undermined.

We Are Republican Because....

We **BELIEVE** the strength of our nation lies with the individual and that each person’s dignity, freedom, ability and responsibility must be honored.

We **BELIEVE** in equal rights, equal justice and equal opportunity for all, regardless of race, creed, sex, age or disability.

We **BELIEVE** free enterprise and encouraging individual initiative have brought this nation opportunity, economic growth and prosperity.

We **BELIEVE** government must practice fiscal responsibility and allow individuals to keep more of the money they earn.

We **BELIEVE** the proper role of government is to provide for the people only those critical functions that cannot be performed by individuals or private organizations, and that the best government is that which governs least.

We **BELIEVE** the most effective, responsible, and responsive government is government closest to the people.

We **BELIEVE** Americans must retain the principles that have made us strong, while developing new and innovative ideas to meet the challenges of changing times.

We **BELIEVE** Americans value and should preserve our national strength and pride while working to extend peace, freedom, and human rights throughout the world.

FINALLY, We believe the Republican Party is the best vehicle for translating these ideals into positive and successful principles of government.
